By-law No. PD-009: Zoning By-Law

PART 1 - GENERAL CLAUSES

SECTION 1: TITLE AND SCOPE

1.1 ADMINISTRATION

This By-law may be cited as “The Zoning By-law”.

1.2 PURPOSE

- a) divides the Town into zones;
- b) prescribes, subject to powers vested in the Council, the Development Officer, and the Planning Advisory Committee;
 - i) the purposes for which land, buildings and structures and any zone may be used, and;
 - ii) standards to which land use, placement and use of buildings and structures must conform, and
- c) prohibits the use, placement, erection or alteration of land, buildings structures other than in conformity with the purposes and standards mentioned in clause (b).

1.3 SCOPE

- a) No building or structure shall be erected, altered, or demolished, nor the use of any building, structure or lot be changed unless a Development/Building permit has been issued and no Development/Building permit shall be issued unless all of the provisions of this By-law are satisfied.
- b) Nothing in this By-law shall exempt any person from complying with the requirements of the Building By-law, Subdivision By-law, or any other By-law in force within the Town of Grand Bay-Westfield or to obtain any license, permission, permit authority or approval required by this or any other By-law of the Town, or other lawful authority.
- c) Where the provisions of this By-law conflict with those of any other municipal, provincial or federal regulations, By-laws or codes including regulations pertaining to on-site sewage disposal systems, the higher or more stringent requirements shall prevail.

By-Law No. PD-009: ZONING BY-LAW

1.4 SEVERABILITY

If any provision of the By-law is declared by a court or tribunal of competent jurisdiction to be invalid, that ruling shall not affect the validity of any other provision herein, nor of the By-law as a whole.

1.5 REPEAL

- a) By-law #112, Town Grand Bay-Westfield Zoning By-law and amendments thereto, is hereby repealed.
- b) Notwithstanding the repeal of the By-law detailed in paragraph (a):
 - i) Section 59 Conditions, pursuant to the Community Planning Act, which have been registered prior to the coming into force of this By-law shall remain in force;
 - ii) Nothing in this By-law will prohibit a development for which a permit was granted by the Development Officer prior to the coming into force of this By-law, but any time limits established by such permit shall continue to operate.

SECTION 2: OPERATION, INTERPRETATION AND ZONES

2.1 ADMINISTRATION

The Development Officer for the Town of Grand Bay-Westfield shall be charged with the general administration of this By-law.

2.2 OTHER BY-LAWS, PERMITS AND LICENSES

- a) Nothing in this By-law shall relieve any person from the obligation to comply with the requirements of the Building By-law or any other By-law of the Town of Grand Bay-Westfield in force from time to time, or the obligation to obtain any license, permit, authority or approval required under any By-law of the Town of Grand Bay-Westfield. Where there is a conflict between the Grand Bay-Westfield Municipal Plan By-law and this By-law, the Grand Bay-Westfield Municipal Plan By-law prevails.
- b) Applicants applying for development and building permits are responsible to obtain all other approvals and permit, required by applicable Provincial legislation.

2.3 ZONING MAPS

The "Town of Grand Bay-Westfield Zoning Map" forms Schedule "A" of this By-law. The Zoning Map divides the Town of Grand Bay-Westfield into zones, for which the regulatory provisions of this By-law apply. Schedule "B" of this By-law provides the Flood Overlay Zone mapping.

2.4 ZONES

ZONE	SYMBOL

2.5 BOUNDARIES OF ZONES

Boundary lines relating to this By-law are shown on the Zoning Map, Schedule "A". In the case where the zone

- substantially follows a street, lane, railway right-of-way or water course, the centre line of such feature is the boundary;
- substantially follows lot lines shown on the registered plan of subdivision, such lines are the boundaries;
- runs substantially parallel to a street line and the distance from the street line is not indicated, the boundary shall be deemed to be parallel to such street line and the distance from the street line shall be determined according to the scale shown on the zoning map;

- d) follows the shoreline of a river or water course, the mean high water mark is the boundary;
- e) follows a street or lane and the street or lane is subsequently closed, the land in the closed street or lane is included in the zone of the abutting land, and if such street or lane forms the boundary between two or more different zones, the centre line of the closed street or lane is the boundary.

2.6 PROPERTIES AFFECTED BY MORE THAN ONE ZONE

Where a lot is situated within more than one zone, the provisions of each zone shall be applied to the corresponding areas of the lot.

2.7 BY-LAW APPLICABILITY AND ENFORCEMENT

No person shall within any zone use any land or place, erect, alter, or use any building or structure except in accordance with the provisions of this By-law.

2.8 USES

- a) If a use is not listed as a permitted or accessory use in a particular zone, it is hereby deemed to be a prohibited use in that zone unless determined to be a similar use by the Planning Advisory Committee in accordance with Section 2.11 of this By-law.
- b) Where this By-law provides that any land may be used, or that a building or structure may be erected or used for a purpose, the purpose is deemed to include any use accessory or ancillary thereto, subject to the requirements of that zone.
- c) When two or more permitted uses are located or are to be located in one building or on one lot, and when the regulations applicable to these uses are different, and unless otherwise specified, the most restrictive regulations shall be deemed to be in force for that lot or building.

2.9 MEASUREMENTS AND CALCULATIONS

- a) Numerical requirements in this By-law are provided in metric units of measurement.
- b) A numerical requirement shall be determined by measuring the closest distance in a straight line made along a horizontal plane and not by following the topography or slope of the land except as otherwise provided by this By-law.
- c) Where the calculation of a numerical requirement results in a fraction:
 - i) A fraction of less than one-half shall not be taken into consideration; and
 - ii) A fraction of one-half or more shall require rounding to the next higher full number.

2.10 POWERS/ROLE OF COUNCIL

1) Non-Conforming Use

- a) Pursuant to subsection 61(1) of the Community Planning Act, Council may require that any land, building or structure containing a non-conforming use shall be maintained and kept in a condition appropriate to the area in which it is located, in accordance with the standards prescribed by Council.
- b) Pursuant to subsection 61(3) of the Community Planning Act, if the standards prescribed under paragraph (a) are not complied with, Council may perform, at the expense of the owner or occupier, the work required to meet the standards, or require the termination of the use.

2) Satisfactory Servicing

- a) No building may be erected within the Town if, in the opinion of Council, satisfactory arrangements have not or cannot be made for the supply of electrical power, water, sewerage, streets, and other services and utilities.
- b) New development must have frontage onto a street in keeping with the standards and provisions of the Subdivision Bylaw.

2.11 POWERS/ROLE OF THE PLANNING ADVISORY COMMITTEE

The Planning Advisory Committee is an appointed body under sections 3 to 8 of the Community Planning Act. The Planning Advisory Committee's role is to advise and make recommendations to Council on matters relating to community planning, to give its views on any By-law proposed to be made under the Community Planning Act, and to exercise the powers and perform the duties given to it by the Community Planning Act or Council.

1) Conditional Uses

- a) Conditional uses are approved subject to terms and conditions imposed by the Planning Advisory Committee.
- b) Conditional uses may be prohibited by the Planning Advisory Committee where compliance with terms and conditions imposed under clause (a) cannot be reasonably expected.
- c) Conditional uses are listed under each zone as "Conditional Uses".
- d) Council may enter into an agreement to assure the performance of the terms and conditions set out in subsection 2.11 (1)(a).

2) Similar or Compatible Uses

- a) Pursuant to Section 55(1) of the Community Planning Act, the Planning Advisory Committee may permit, subject to the terms and conditions it considers fit, a proposed use of land or a building that is otherwise not permitted under the zoning By-law, if in its opinion, the proposed use is similar to or compatible with a use permitted in the By-law for the zone in which the land or building is situated.

3) Temporary Approvals

- a) Pursuant to Section 53(2)(i)(ii) of the Community Planning Act, the Planning Advisory Committee may, subject to terms and conditions it considers fit:
 - i. Authorize for a temporary period not exceeding one year, a development otherwise prohibited by this By-law.
 - ii. Authorize, for an additional temporary period not exceeding one year, a development otherwise prohibited by this By-law if:
- b) The applicant holds an authorization under section 2.11(3)(a)(i) that is to expire or has expired;
 - i) An application to amend this By-law including a rezoning application has been made; and
 - ii) The Planning Advisory Committee has received a resolution from Council confirming that Council will consider the application referred to in subsection 2.11(3)(a)(ii)(2).
 - iii) Require the termination or removal of a development authorized under subsection 2.11(3)(a)(i) or (ii) at the end of the authorized period.

4) Variances

- a) Pursuant to section 55(1)(b) of the Community Planning Act, the Planning Advisory Committee may permit, subject to the terms and conditions it considers fit, a reasonable variance from the requirements of this By-law if, in its opinion, it is desirable for the development of a parcel of land or a building or structure and is in keeping with the general intent of this By-law and the Town's Municipal Plan.

5) Delegated Authority

- a) Pursuant to section 53(2)(j) of the Community Planning Act, the Planning Advisory Committee may delegate its authority to the Development Officer.

2.12 POWERS OF THE DEVELOPMENT OFFICER

1) Encroachment Occurring in Good Faith

- a) Pursuant to subsections 53(7) and 53(8) of the Community Planning Act, if the location of a building or structure encroaches up to 60 cm on a set back requirement under subsection 53(2)(a)(v) of the Community Planning Act, or encroaches up to 30 cm on a yard requirement under subsection 53(2)(a)(iv) of the Community Planning Act, the encroachment does not constitute a violation of the requirements of this By-law if the Development Officer determines the encroachment to have occurred in good faith.

2) Development Officer Variances

- a) Pursuant to Section 55(2) of the Community Planning Act and subject to the terms and conditions they consider fit, the Development Officer may permit a reasonable variance from the requirements referred to in subsections 53(2)(a)(i), (iii), (iv), (v), (vii), (viii), (ix), and (xiii) of the Community Planning Act and referenced in the list below, if the Development Officer is of the opinion that the variance is desirable for the development of a parcel of land or a building or structure and is in keeping with the general intent of this By-law and the Town's Municipal Plan.
 - i) 53(2)(a)(i) the minimum size and dimensions of lots and other parcels into which land may be subdivide, and the minimum and dimensions of land required for a particular class of use or size of building or structure;
 - ii) 53(2)(a)(iii) the height, number of storeys, ground area, floor area and bulk of buildings and structures;
 - iii) 53(2)(a)(iv) the percentage of land that may be built on, and the depth, size or area of yards, courts, parking areas and open spaces;
 - iv) 53(2)(a)(v) the placement, location and arrangement of buildings and structures, including their setting back from the boundaries of streets and other public areas, and from rivers, streams or other bodies of water;

- v) 53(2)(a)(vii) the placement, height, and maintenance of fences, walls, hedges, shrubs, trees, and other objects;
- vi) 53(2)(a)(ix) the facilities to be provided and maintained for off-street parking and loading of vehicles;
- vii) 53(2)(a)(xiii) the location, dimensions, standards of construction and purposes of advertising signs and billboards

2.13 APPLICATIONS AND DEVELOPMENT PERMIT APPROVALS

1) Council and Advisory Committee Applications

- a) Council applications include:
 - i) Amendment to the Town's Municipal Plan
 - ii) Amendment to this By-law
 - iii) A resolution pursuant to Section 59 of the Community Planning Act
- b) Planning Advisory Committee Applications include:
 - i) Similar or Compatible Uses
 - ii) Temporary Approvals
 - iii) Non-Conforming Uses
 - iv) Variances
- c) Development Officer Applications include:
 - i) Variances, pursuant to subsection 2.12(2)(a)
 - ii) Development Permits
- d) Applications submitted under (a), (b), and (c) shall be submitted in the form prescribed by the Development Officer and accompanied by the appropriate fee. An application shall be signed by the registered lot owner or an authorized agent thereof. ZBL 122A (July 2021)

2) Development Permit Fees

An application submitted under subsection (c)(ii) of this section shall be submitted in the form prescribed by the Development Officer and accompanied by a fee of \$50. ZBL 122A (July 2021)

2.14 DEVELOPMENT PERMIT APPROVALS

1) Development Permit Required

- a) Pursuant to subsection 53(2)(b) of the Community Planning Act, a permit must be obtained when:
 - i) A change in the purpose for which land or a building or structure is used;
 - ii) The use of land, buildings and structures is for the purpose of displaying advertising signs or billboards, or

By-Law No. PD-009: ZONING BY-LAW

- iii) An excavation of sand, gravel, clay, shale, limestone, or other deposits for purposes of the sale or other commercial use of the material excavated is proposed.

2) Development Permit Not Required

- a) Notwithstanding subsection 2.14(1), the following developments do not require a development permit, but may require a building permit under the Town's Building By-law:
 - i) Alterations to the interior of a building that do not change the use;
 - ii) Alterations to the exterior of a building that does not increase the exterior dimensions or size; and
 - iii) Changes to the copy of a sign where the sign copy does not increase.

2.15 BY-LAW AND SECTION 59 AMENDMENTS

- a) A person who seeks to have this By-law amended shall address a written and signed application to Council in a form satisfactory to Council along with the applicable fee of \$1,000, or as prescribed by Council.
- b) Council may, if it deems fit, return all or any part of the fee mentioned in subsection (a).
- c) An application under this section shall include such information as may be required by Council for the purpose of adequately assessing the desirability of the proposal.
- d) Council may refuse to consider an application under this section if such applications:
 - i) Seeks to change an area of land from one type of zoning to another contrary to the designation of the land in the Municipal Plan; or
 - ii) Has not been signed by all registered owners of each property proposed for rezoning or an agent or agents for all of the owners.
- e) Where a property abuts a line separating designations in the Municipal Plan, it may be considered to be within either designation for the purposes of considering an amendment to this By-law.

2.16 DEVELOPMENT ADJACENT TO A STREAM OR WATER COURSE

Subject to the provisions of the relevant provincial regulations and, notwithstanding any provision of this By-law, no person shall erect a building or structure within 30 metres of the high water mark of a stream or water course, as determined by the Development Officer, without approval from the Planning Advisory Committee and such terms and conditions as may be imposed by the Committee and the Department of Environment.

2.17 PROTECTION OF GROUND WATER CAPACITY

In setting out terms and conditions for any rezoning or discretionary use that involves permanent or temporary accommodation of large numbers of people (commercial/institutional or residential uses) or a business/industry that uses a large quantity of water, the Planning Advisory Committee and/or Council will require sufficient evidence (engineering report, hydrogeological study, etc.) to be reviewed by the Town Engineers, to consider that there is adequate capacity not to adversely affect existing wells on adjacent property.

SECTION 3: DEFINITIONS

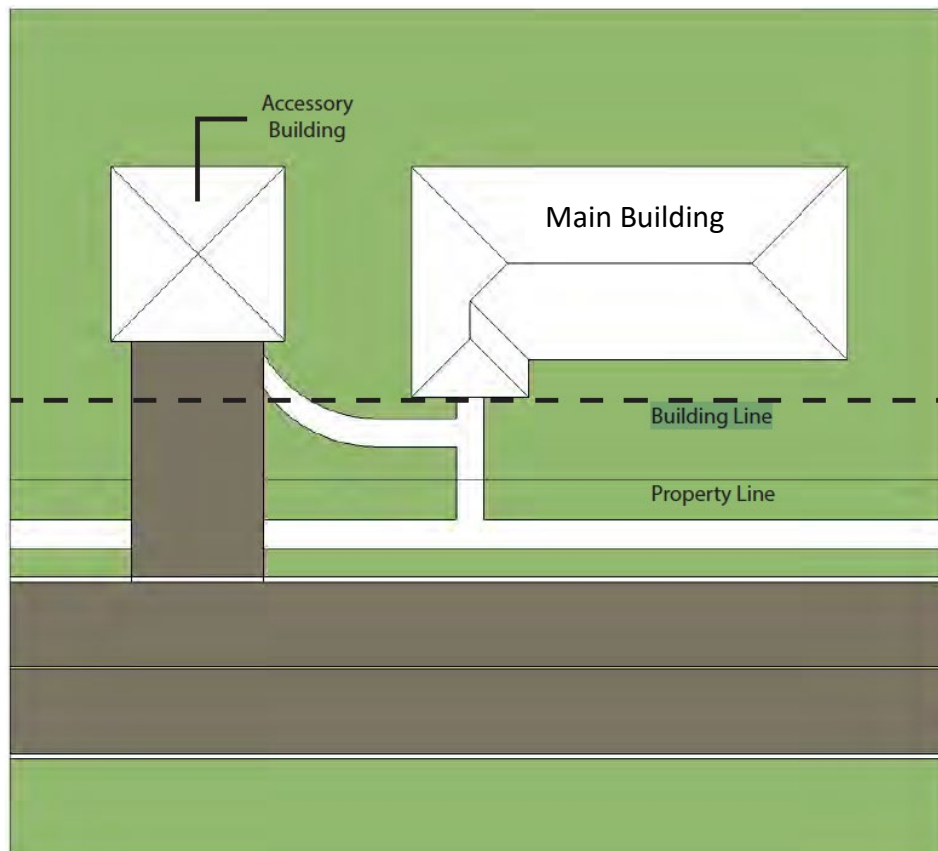

In this By-law,

- 1) **ACCESS** means an access, exit, or driveway from a street to a lot.
- 2) **ACCESSORY, BUILDING** means a detached subordinate building, not used for human habitation, located on the same lot as the main building, structure or use to which it is accessory, the use of which is naturally or customarily incidental and complementary to the principal use of the land, building or structure.
- 3) **ACCESSORY BUILDING OR STRUCTURE** means a building that is incidental, subordinate, and exclusively devoted to the main use, main building, or structure located on the same lot.
- 4) **ACCESSORY USE** means a permitted use in a zone that is incidental to and exclusively devoted to a main use of any land, building, or structure located on the same lot.
- 5) **ACCOMMODATION** means an establishment that provides lodging for travellers or transients, and includes but is not limited to, a bed and breakfast, hotel, or motel but does not include a hostel or rooming house.
- 6) **ACTIVE TRANSPORTATION** means modes of transportation that rely on human power including, but not limited to, walking, jogging, cycling, in-line and roller skating, skateboarding, wheel chairing, snowshoeing, and skiing.
- 7) **ACT** means the Community Planning Act (S.N.B. 2017, c. 19)
- 8) **ADULT CABARET** means a nightclub, bar, restaurant, or similar establishment that features live performances that are characterized by the exposure of specified anatomical areas or by specified sexual activities.
- 9) **ADULT ENTERTAINMENT USE** means any adult use including adult arcades, adult cabarets, adult motion picture theatres, adult retail outlets/bookstores, escort service and massage parlors.
- 10) **ADULT MOTION PICTURE THEATRE** means any establishment where, for any form of consideration, films, motion pictures, video cassettes, digital video discs, or other photographic reproductions are shown which are characterized by an emphasis on the depiction or description of specified sexual activities or specified anatomical areas.
- 11) **ADULT RETAIL OUTLET / BOOKSTORE** means an establishment with the principle purpose to offer sale or rent, for any form of consideration, and of the following:
 - a) books, magazines, periodicals, or other printed matter, or photographs, films, motion pictures, video cassettes, digital video discs, slides, or other visual representations that are characterized by an emphasis upon the depiction or description of specified sexual activities or specified anatomical areas; or

- b) instruments, devices, or paraphernalia that are designed for use in connection with sexual activities.
- 12) **AGRICULTURAL USE** means any use of land for the purpose of producing crops and/or keeping, grazing, breeding, raising, boarding or training of livestock, whether or not for commercial purposes, and includes but is not limited to: cattle, horses, ponies, donkeys, pigs, sheep, goats, rabbits, poultry, fish in keeping with the Town's Animal Control By-law; and can include: tillage of soil, growing and harvesting vegetables, fruit and field crops, sod farming, stripping of topsoil or excavation of sand and gravel, commercial plant nursery or greenhouse, bee keeping, riding school, and riding stable. - 10) **Multiple Accessory Buildings per lots:** The maximum number of Accessory buildings on any lot is three (3), not exceeding total lot occupancy requirements.

4.2 BUILDINGS ON A LOT

Except in a Multi Residential Zone or Rural Resource Zone, not more than one (1) main residential building shall be permitted on one lot.

4.3 CARPORTS, ATTACHED GARAGES, SUNDECKS AND OTHER PROJECTIONS INTO YARDS

- 1) **Carports and Attached Garages** An attached carport may be permitted over a driveway in a side yard if the use of such structure is not more than one (1) storey in height and, subject to subsection 3, provided that no part of the carport or garage is located less than one half the setback from the lot line of the abutting side lot. The maximum floor area coverage shall be no more than 70 square metres or 10% of the lot area, whichever is the lesser.
- 2) **Conversions of Carport or Attached Garage to Habitable Space** No portion of an attached carport shall be converted to a habitable space, unless:
 - a) the carport or garage is located so as to meet the minimum side yard requirement for the zone, and;
 - b) the required parking is located beyond the required front yard setback of a one family dwelling, semi-detached dwelling or duplex dwelling.
- 3) **Architectural Features** Cornices, eaves, belt courses, sills, canopies, bay windows or other similar architectural features, may extend or project into a required side yard not more than 0.5 metres and may extend or project into a required front or rear yard not more than 0.75 metres. Chimneys may also project into a required front, side or rear yard not more than 0.5 metres.
- 4) **Stairways** Exterior stairways or stair balconies may extend or project into a required front yard or rear yard not more than 1.5 metres.
- 5) **Sundecks and Platforms**

- a) **Rear Yard** Porches, platforms, landing places or sun decks may extend or project into a required rear yard as follows:
 - i) where the mean height of the structure from the adjacent grade to the bottom of the structure does not exceed 0.5 metres in height, such a structure may extend to within 1.5 metres of the rear lot line;
 - ii) where the mean height of the structure from the adjacent grade to the bottom of the structure exceeds 0.5 metres in height, such a structure may extend to within 2.0 metres of the rear lot line.
 - b) **Side Yard** Porches, platforms, landing places or sun decks may extend or project into a required side yard to within:
 - i) 1.8 metres of the side lot line on the non-driveway side of the main structure;
 - ii) 1.5 metres of the side lot line on the driveway side where a garage or carport is attached to the main structure;
 - iii) 3.5 metres of the side lot line on the driveway side where no garage or carport is attached to the main structure;
 - iv) 1.8 metres of the side lot line on the driveway side, where the distance from the front lot line equals or exceeds 12 metres.
 - c) **Front Yard** Porches, platforms, landing places, or sun decks may not extend into the required front yard setback area of the zone.
- 6) **Portable Garages** Portable garages may be permitted on any residential lot, as long as a front yard and side yard setback of 1 metre is maintained. Such garages shall be permitted to be located on residential property. No permit is necessary for such uses, but a written approval from the development officer is required for the first installation only if subsequent installations are done in the same location. The maximum area shall be 56 square metres. Any canvas car shelter bigger than 56 square metres shall meet the standards established for accessory structures (Section 5.1). ZBL 122A, 2021

4.4 DAY CARES

1) NEIGHBOURHOOD DAY CARE

Where permitted in this By-law, a Neighbourhood Day Care may be permitted as a secondary use in a one unit, two unit, semi-detached dwelling, or townhouse dwelling subject to the following requirements:

- a) A Neighbourhood Day Care complies with the daycare regulations of the Early Childhood Services Act of the Province of New Brunswick;
- b) A Neighbourhood Day Care shall have no more than 15 spaces;
- c) A building or portion thereof containing a Neighbourhood Day Care has an area of at least 1.5 square metres for each child in attendance;
- d) Any fenced, outdoor play area must be in the rear yard;

By-Law No. PD-009: ZONING BY-LAW

- e) A Neighbourhood Day Care shall be located on a street with unrestricted on-street parking or the provision of an off-street drop-off area must be provided which limits the obstruction of passing traffic;
- f) A Neighbourhood Day Care conducted in a basement must have at least one window in the portion of the basement where the business is conducted;
- g) The Fire Marshall certifies the area in which the business is to be conducted meets the appropriate requirements; and
- h) No Bed and Breakfast, Garden Suite, Secondary Suite, or Supportive Housing is permitted in any building on the lot

2) DAY CARE CENTRE

Where permitted in this By-law, a Day Care Centre shall be subject to the following requirements:

- a) A Day Care Centre complies with the daycare regulations of the Early Childhood Services Act of the Province of New Brunswick;
- b) Any fenced or outdoor play area shall be in the rear yard;
- c) One on-site parking space shall be provided for every five children; and
- d) Pick-up and drop-off of children must occur on-site and have limited impact on neighbourhood traffic patterns.

4.5 FENCES

- a) Notwithstanding any other provision of this By-law, subject to this section, a fence may be placed or located in a yard;
- b) Notwithstanding any other provision of this By-law, no fence along a street line may exceed 1.2 metres in height, and;
- c) No fence may exceed the height of:
 - i) 1.5 metres in a Residential or Mobile Home Zone;
 - or
 - ii) 2.5 metres in a zone other than a Residential or Mobile Home Zone.
- d) No fence shall be located within 1.5 metres of a street line in all zones.
- e) No fence shall be located:
 - i) within 150 mm of a property line in the case of chain link construction;
 - or
 - ii) within 600 mm of a property line for all other types of construction.
- f) Notwithstanding subsection (e) of this Section where both owners of adjacent properties have applied for and signed the Building Permit, a fence may be placed exactly on the property line;

By-Law No. PD-009: ZONING BY-LAW

- g) No fence shall be electrified or incorporate barbed wire or other dangerous materials;
- h) Notwithstanding subsection (g) of this Section fences other than a chain link fence, shall be installed with the finished side facing the adjoining property.

4.6 GARDEN SUITES

Where permitted by this By-law, a one or two-unit dwelling may also contain a Garden Suite subject to the following:

- a) The Garden Suite shall not exceed a maximum gross floor area of 75 square metres;
- b) The Garden Suite must be serviced in the same manner as the main building;
- c) The height of the Garden Suite shall not exceed the height prescribed for an accessory building in Section 4.1 of this Bylaw;
- d) The Garden Suite shall be in the rear yard of the main building;
- e) The Garden Suite shall be of a similar appearance and design as the main building; and
- f) There shall be at least one on-site parking space provided for the Garden Suite.

4.7 GROUP HOMES:

Where permitted, Group Homes shall:

- a) Maintain a minimum radius of 183 metres from another Group Home;
- b) Require one (1) on-site parking space for every four (4) beds, plus one (1) on-site parking space per two employees on a maximum shift;
- c) Be limited to one unit dwellings;
- d) Be inspected by the Building Inspector and, prior to being occupied, shall satisfy all applicable Building and Fire Code regulations; and
- e) Not operate on the same property as a Tourist Home / Bed and Breakfast, Home Occupation or Daycare Facility to be operated on the property.

4.8 HEIGHT EXCEPTIONS

The height restrictions of this By-law shall not apply to church towers, chimneys, water storage tanks, telecommunication towers, or to structures housing mechanical equipment.

4.9 HOME OCCUPATIONS

Where permitted by this by-law, home occupations shall be subject to the following requirements:

- a) A Home Occupation may be permitted as a secondary use within a dwelling unit or an accessory building, or both for the same home occupation, and must be clearly secondary to the residential use;
- b) The maximum area of the Home Occupation located within a dwelling unit shall not exceed 33% of the gross floor area of the dwelling unit;
- c) When the Home Occupation operates from an accessory building, the accessory building shall meet the regulations for maximum cumulative gross floor area described in section 4.1 of this By-law;
- d) No exterior changes will be permitted which would change the architectural appearance of the dwelling;
- e) The Home Occupation will meet the signage requirements as set out in Section 6 this By-law;
- f) Off-street parking shall be required in accordance with Section 5 of this By-law; and
- g) The following environmental standards shall apply:
 - i) No emissions of odorous gas or particulates that can be discerned at the lot line;
 - ii) No production of noise in excess of a normal street traffic experience;
 - iii) No physical hazards or nuisance including fire, toxic waste, explosion, glare or vibration to adjacent properties;
 - iv) No discharge of any waste material or pollutant onto the ground of property or adjacent property or any waterway or drainage facility; and
 - v) Outdoor storage must be located in the rear yard containing the Home Occupation and screened.

4.10 LOTS WITH 15% GRADE

Any part of a lot that has a grade of 15% or greater may not be considered as part of the lot for purposes of calculating minimum lot area required hereunder, subject to alleviation only by Variance granted by the Planning Advisory Committee and by such terms and conditions as determined by the Planning Advisory Committee.

4.11 MINIMUM FLOOR ELEVATION ABOVE FLOOD LEVEL

No development of any habitable space shall be permitted in any zone unless the minimum geodetic elevation of the top of any floor is at least 7.4 metres. ZBL 122A, 2021

4.12 MINIMUM FRONT YARDS LESS THAN ESTABLISHED BUILDING LINE

Notwithstanding the minimum front yard requirements in Residential Zones under this By-law, if the building line, including porches, established by existing buildings or structures is less than the front yard required by this By-law, there shall be provided a front yard not less than the distance to the established building line of the adjacent building, which is set back the greater distance of the two from the street line, except in the case of corner lots, in which case the normal set back requirement shall apply.

4.13 FRONTAGE ON CUL-DE-SAC LOTS OR LOTS ON INSIDE CURVES

A lot having its only frontage on the curved sideline of a cul-de-sac bulb may have a reduced frontage provided:

- a) The minimum frontage shall be 15 metres, and;
- b) All other dimensional zoning requirements are satisfied.

4.14 ACCESS TO COMMERCIAL AND INDUSTRIAL ZONES FROM RESIDENTIAL ZONES

No vehicular access to any land in a Commercial or Industrial Zone shall be permitted in a Residential Zone, other than through a public street.

4.15 RESIDENTIAL DEVELOPMENT NEAR A LAGOON

Notwithstanding any other provision of this By-law, no dwelling or residential structure may be located within 100 metres of a sewage lagoon.

4.16 ELEVATION OF NEW RESIDENTIAL STRUCTURES

All new residential structures shall be placed or erected on a foundation which is at least 750 millimeters above the final centre line grade of the street as measured on the street at a location which approximates the middle of the front face of the structure unless a variance is granted by the Planning Advisory Committee. All applications for Variances must be accompanied by a site grading plan.

4.17 MOBILE HOMES AND MINI-HOMES

Mobile and Mini Homes shall only be permitted as a primary use in a Mobile Home Residential (MHR) Zone and may be considered as a garden suite ZBL 122C, 2023 in Residential Zones subject to Planning Advisory Committee approval. ZBL 122B, 2022

4.18 COMMERCIAL DEVELOPMENT ABUTTING A RESIDENTIAL ZONE

The rear or side yard shall be equal to twice the height of the main building or structure where a lot abuts a Residential Zone and provide a visual barrier a minimum of 2 metres high.

4.19 REDUCTION OF YARDS

No part of landscaped open space required around any building or structure for the purpose of complying with the provisions of this By-law shall be included as part of landscaped open space similarly required for another building or structure.

4.20 SATELLITE DISHES AND COMMUNICATION TOWERS

- a) Communication towers and satellite dishes shall not be permitted on that portion of a roof of a building in or abutting a residential zone facing the street. In the case of satellite dishes, exception can be made by the Development Officer where no alternative exists on the property;
- b) Satellite dishes and communication towers in or abutting a residential zone shall be subject to all accessory building provisions of this By-law except sections 4.1.3 and 4.1.5;
- c) Where, in the opinion of the Development Officer, there is a risk of injury to occupiers or others, communication towers shall be equipped with appropriate “anti climb” devices or such other equipment as required to restrict the access of the public thereto;
- d) The Development Officer shall have the authority to require that all satellite dishes and communication towers be appropriately painted and landscaping be properly undertaken to minimize the impact of the appearance of such satellite dishes and communication towers on the adjacent properties.

4.21 SECONDARY SUITES

Where permitted by this By-law, a one and two-unit, and rowhouse dwelling may also contain a Secondary Suite subject to the following:

- 1) Shall not exceed 40% of the gross floor area of the main dwelling unit;
- 2) Shall have an entrance to the side or rear of the building;
- 3) The presence of the Secondary Suite shall not change the exterior appearance of the building; and
- 4) One on-site parking space shall be provided for the Secondary Suite

4.22 SITE TRIANGLE ON CORNER LOTS

Notwithstanding the provisions of this By-law, no building or structure shall be erected on a corner lot included within the triangular space measured a distance of 6 metres from the point of intersection of the street/lot lines. Furthermore, hedges, shrubs or foliage shall not be planted or maintained within the triangular space measured a distance of 6 metres from the point of intersection of the street/lot lines between the length of one (1) and three (3) metres above the grade of the street which would obstruct the view of a driver of a vehicle approaching the intersection.

4.23 STANDARDS FOR DWELLINGS WITH COMMON PARTY WALLS

Dwellings with common party walls and occupying more than one lot shall be considered as one building occupying one lot for the purposes of calculating side yard, frontage, lot area and lot occupancy regulations. This includes semi-detached dwellings, duplex dwellings, row dwellings and apartment dwellings.

4.24 SUPPORTIVE HOUSING (INCLUDING SENIORS AND LONG TERM CARE)

Where permitted by this By-law, the Supportive Housing shall comply with the following:

- 1) Maintain a minimum radius of 183 metres from another lot also containing supportive housing if both are in a residential zone;
- 2) Within the Residential Intensification Area, Supportive Housing uses shall be limited to 15 residents;
- 3) A Bed and Breakfast, Home Occupation, Day Care Facility, or Secondary Suite are not permitted on the same lot;
- 4) When abutting a residential property, there shall be appropriate screening between the Supportive Housing use (including parking) and the adjacent use; and
- 5) When considering the conditional use of the Supportive Housing, the Committee shall consider the following:
 - a) The location of the facility relative to a main or arterial street;
 - b) The impacts to adjacent properties; and
 - c) The local need for the facility in the Town.

4.25 SWIMMING POOLS

Notwithstanding other provisions presented in this By-law, an outdoor swimming pool is permitted in any zone subject to the following requirements:

- 1) The swimming pool use must be accessory to the main use of the lot;
- 2) The swimming pool shall not be located in the front, side, or flankage yard in any zone;
- 3) The swimming pool shall not be closer than two metres from any lot line;

4.25.1 SWIMMING POOL ENCLOSURES

Notwithstanding other provisions presented in this By-law, an outdoor swimming pool shall be completely enclosed by a fence or a combination of a permanent structure and a fence that prevents access to the pool from the street or abutting lot.

- 1) The swimming pool enclosure shall completely enclose the swimming pool;

By-Law No. PD-009: ZONING BY-LAW

- 2) The swimming pool enclosure shall create a barrier that is no less than 1.5 metres in height when measured from the ground to the top of the fence, gate, or structure, enclosing the pool.
- 3) The swimming pool enclosure shall have no opening greater than 10 centimetres in the barrier(s) required in subparagraph (b).

4.25.2 SWIMMING POOL ACCESS

- 1) Notwithstanding other provisions presented in this By-law, an outdoor swimming pool shall be accessed by:
 - a) A self-closing and self-latching gate that is a minimum height of 1.5 metres;
 - b) A main building or structure, subject to 4.25.1;
 - c) An accessory building or structure, subjective to 4.25.1; or
 - d) Any combination of the above.

4.26 TOURIST HOMES/BED AND BREAKFASTS

- a) Be limited to one unit dwellings;
- b) Limit bed and breakfast operations to no more than three (3) sleeping units in the building or as regulated by the tourism act;
- c) Limit inn operations to no more than ten (10) sleeping units in the building;
- d) Require a minimum area of a room, exclusive of bathroom, closets and foyers, that may be used for sleeping accommodations for:
 - i) one occupant must be 10 square metres;
 - ii) two occupants must be 12 square metres;
 - iii) three occupants must be 14.5 square metres.
- e) Not permit cooking equipment in a room that is used for sleeping accommodation;
- f) Provide and maintain an easily accessible water toilet, a wash basin and a bath tub or shower served with both hot and cold water for every eight occupants of the tourist home;
- g) Not permit any sign visible from the outside of the house, advertising the existence of the tourist home or the availability of a room except:
 - i) in a residential zone, one non-illuminated sign attached to the building not exceeding 0.4 square metres in area is permitted;
 - ii) in a zone other than a residential zone, one non-illuminated fascia sign not exceeding the provisions in this By-law under section 6.2.3 for a fascia sign.

By-Law No. PD-009: ZONING BY-LAW

- h) Permit only breakfast to be served solely for lodgers on the premises for Bed and Breakfast operations;
- i) Permit, a public dining room and convention meeting room for Inn operations;
- j) Not permit a Group Home, Home Occupation or Daycare Facility on the same property;
- k) The person operating the Tourist Home shall hold a valid licenses therefor issued by the agency/agencies having jurisdiction or authority.

4.27 UNDERSIZED LOTS

This By-law does not prevent the use of an existing lot that does not conform to minimum size requirements provided:

- a) that the use of such lot is permitted in the zone in which said lot is located; and
- b) that the setbacks, height, coverage and all other relevant requirements of the zone are maintained.

4.28 USES PERMITTED IN ALL ZONES

Nothing in this By-law shall prevent the use of any land for:

- c) Community Garden;
- d) Land for Public Purpose;
- e) Lane, Street, or Highway;
- f) Town Recreation Use;
- g) Park or Playground;
- h) Pipeline;
- i) Public Display;
- j) Stormwater Management Pond;
- k) Telecommunications Tower;
- l) Temporary Parking Lot to Facilitate Snow Clearing;
- m) Utility Service Building or Structure; and
- n) Walking Trail.

4.29 USES PROHIBITED IN ALL ZONES

- a) Notwithstanding any provision of this By-law, the use of a vehicle or recreational vehicle as a place of residence shall not be permitted within any zone in the Town;
- b) A semi-trailer or what was a semi-trailer or what is or was a vehicle within the meaning of the *Motor Vehicle Act*, R.S.N.B., C-M12 or a part thereof,

By-Law No. PD-009: ZONING BY-LAW

shall not be used for storage in any zone. Such a semi-trailer or part of a vehicle shall be deemed to be used for storage when it has not been used for hauling goods to or off the premises at least once every 30 days.

4.30 UTILITIES AND INFRASTRUCTURE

This By-law prohibits the erection of any building in respect of which, in the opinion of Council, satisfactory arrangements have not been made for the supply of electric power, water, sewerage, street or other services or facilities.

SECTION 5: PARKING, ACCESS, LOADING & LIGHTING

5.1 GENERAL PROVISIONS FOR PARKING

5.1.1 LOCATION OF PARKING FACILITIES

All required parking spaces shall be provided on the same property as the building or structure.

5.1.2 COMMERCIAL VEHICLES IN RESIDENTIAL ZONES

In a residential zone, no person shall allow a commercial vehicle to remain in a front yard, or an unregistered or derelict vehicle to remain in any yard, or a contractors' machinery or equipment to remain outside the building.

- (a) Only one commercial vehicle per dwelling, including school buses and transport truck cabs, is permitted to be parked in any residential zone, provided the vehicle is operated by a resident of the dwelling unit.
- (b) Commercial transport truck trailers are not permitted in any residential zone.
- (c) The use of a vehicle body, recreational vehicle or transport truck trailer as a permanent place of residence or for commercial activities shall not be permitted within any zone.

5.1.3 PARKING SPACE DIMENSIONS

Each vehicle parking space shall be in accordance with the following stall width and length, and minimum driveway width. Angle parking shall only allow one way traffic.

Type of Parking	Minimum Stall Width	Minimum Stall Length	Minimum Driveway Width
Parallel	2.75 metres	6.0 metres	4.0 metres
Angle	2.75 metres	6.0 metres	5.5 metres
Perpendicular	2.75 metres	5.5 metres	7.5 metres
Barrier Free	Should meet Provincial Guidelines		

5.1.4 LANDSCAPING

- (a) The first 6 metres of the front yard setback area shall be landscaped open space, except for exits and entrances.
- (b) In addition to the above, in residential zones, the required rear yard and non-driveway side yard setback area shall be landscaped open space.

5.1.5 ACCESS TO ZONES, EXCLUDING COMMERCIAL ZONES AND INDUSTRIAL ZONES

- (a) The number of driveways shall be limited to not more than two (2) driveways for each 30 metres of frontage, and no more than three (3) driveways are permitted for frontages over 30 metres.
- (c) The maximum curb cut width of each driveway to one unit, semi-detached and duplex dwellings shall not exceed 6 metres.
- (d) The minimum curb cut width of each driveway to parking areas shall be:

15 parking spaces or less	Minimum 4.5 metres
16 parking spaces or more	Minimum 6 metres

5.1.6 ACCESS TO COMMERCIAL ZONES AND INDUSTRIAL ZONES

- (a) The number of two-way driveways shall be limited to one per lot frontage except when the lot has a frontage of over 75 metres where two accesses are permitted if a minimum of 20 metres is provided between the centre line of each driveway. No more than two (2) driveways shall be permitted per lot.
- (b) A pair of driveways may be located on a lot in place of one two-way driveway if driveways are designed and signed for one-way use and if a minimum of 20 metres is provided between the centre lines of each driveway, measured at the street line.
- (c) All driveways to a corner lot shall be located no closer than 11 metres from the intersection of the lot lines along two streets with the exception that no driveway may be located within 30 metres of:
 - (i) an intersection of two or more streets if traffic at such intersection is controlled by traffic lights;
 - (ii) if an at-grade intersection in the form of several legs or a traffic circle, or with island channelization or other similar traffic control devices;
 - (iii) an interchange; or
 - (iv) a railway grade crossing.
- (d) If access is provided to a Regional Shopping Centre or Community Shopping Centre, all driveways on a corner lot shall be located no closer than 60 metres from the point where the lot lines along two streets intersect.
- (e) No driveway may have a width in excess of:
 - (i) 9.0 metres for two-way operation;
 - (ii) 7.0 metres for one-way operation.
- (f) Driveway widths mentioned in subsection (e) may be increased to 11 and 9 metres respectively where:

- (i) a substantial portion of the vehicular traffic is composed of tractor trailers of 18 metres, or over, in length;
 - (ii) the abutting street is an arterial with four or more traffic lanes;
 - (iii) the slope of the access where it meets the abutting street is at least 6% more or less than the slope of the street.
- (g) No driveway shall meet the travelled portion of the fronting street at an angle of less than 60 degrees.
- (h) Driveways shall be located at least 3 metres from the property line.
- (i) Every driveway shall be maintained with an all-weather, dust free surfacing sufficient to carry imposed loads.

5.1.7 QUEUING SPACE

- (a) Queuing spaces shall be provided for Drive-Thru Business (including Drive-Thru Restaurant and Car Wash), Gasoline Bar, Automotive Service Station, and Drive-In Commercial Garage, as follows:
 - (i) Drive-Thru Business, including Drive-Thru Restaurant and Car Wash:
 - (a) In-Bound 6 in-bound queuing spaces shall be provided for vehicles approaching the drive-up service window and any overflow beyond six vehicles shall not encroach on a public street;
 - (b) Out-Bound 1 out-bound queuing space shall be provided on the exit side of each service position and this space shall be located so as not to interfere with service to the next vehicle.
 - (ii) Drive-in Business, Commercial Garage, Gasoline Bar, Automotive Service Stations:
 - (a) In-Bound 5 in-bound spaces shall be provided;
 - (b) Out-Bound 3 out-bound spaces shall be provided.
- (b) All queuing spaces shall be a minimum of 6.5 metres long and 3 metres wide. Queuing lanes shall provide sufficient space for turning and maneuvering.

5.1.8 ACCESS TO PARKING LOTS AND SPACES

- (a) There shall be adequate provision for access to a street or public lane for each motor vehicle parking space and each motor vehicle parking space shall be readily accessible at all times for the parking and removal of a motor vehicle, without the necessity of moving another motor vehicle.

- (b) All access lanes in parking lots shall be no less than 6 metres in width, except a lane serving rows in which parking is angled at 45 degrees on both sides of the lane, in which case the minimum distance between rows may be no less than 4.5 metres in width.
- (c) Where more than four off-street parking spaces are required, provision shall be made for the turning of vehicles and be considered part of the parking area.

5.1.9 *DESIGN OF PARKING LOTS*

All permanent parking lots and access driveways required for commercial, service industrial and institutional development shall:

1. Be surfaced with hot-mix asphalt, portland cement, concrete, or asphalt stone chip seal coat;
2. Be graded or drained in such a manner as to ensure that surface water will not escape to neighboring lands, and wherever the surface of the parking area is more than 10 centimeters higher or lower than any adjoining land, a suitable retaining wall shall be installed along the edge of the parking lot or along the lot line;
3. Be curbed with permanent continuous high curbing where parking and maneuvering areas and driveways abut landscaped areas;
4. Provide a bumper guard of a minimum height of 0.5 metres at a minimum distance of 0.3 metres from any interior side or rear lot line. Where there is a landscaped area of less than 1.5 metres, the bumper guard shall prevent any part of a motor vehicle from projecting over any lot line;
5. Be separated from any adjoining residential zone or property used for residential purposes by a minimum 3 metre landscaped strip; and
6. Ensure no parking space, maneuvering area or driveway is located any closer than 2 metres to any wall of residential development of 3 units or greater.

5.1.10 *MULTIPLE USE OF SITE*

In the case of the multiple use of a site, the Development Officer shall calculate the parking required for each individual use and the total shall be deemed to be the required parking for the site.

5.1.11 *CONVERSIONS*

When a building or part of a building is converted to a new use, no additional parking spaces are required. ZBL 122C 2023

5.1.12 BARRIER FREE PARKING SPACES

- (a) The number of barrier free parking spaces for development where 5 or more spaces are required shall be in accordance with the following:

Total Number of Required Spaces in a Lot	Total Number of Barrier Free Parking Spaces Required
5 – 25	1
26 – 50	2
51 – 75	3
76 – 100	4
101 – 150	5
151 – 200	6
201 – 300	7
301 – 400	8
401 – 500	9
501 – 1000	2% of the total
Over 1000	20 spaces plus 1 space for each 100 spaces over that.

- (b) Barrier Free parking spaces shall be:

- (i) provided and considered as part of the number of stalls required for a project;
- (ii) located closer to the entrance of the building for which they are intended;
- (iii) identified by a sign and, if the surface is paved, by pavement markings to the satisfaction of the Development Officer;
- (iv) a minimum of 3.8 metres in width and 7.3 metres in length.

5.1.13 BICYCLE PARKING

Where a use requires 20 or more parking spaces, consideration shall be made for safe and accessible bicycle parking within a reasonable distance of a primary entrance.

By-Law No. PD-009: ZONING BY-LAW

SECTION 6: SIGN REGULATIONS

6.1 GENERAL PROVISIONS

6.1.1 DEFINITIONS

- a) **Sign** means any identification, description, illustration or information device, illuminated or non-illuminated, which provides information as to product, place, activity, person, institution, or business and is displayed on the exterior of a building or on a property;
- b) **Canopy Sign** means a sign attached to or forming part of a permanent building projection, projecting or fixed structural framework which extends outward from the exterior wall of a building. Canopy signs include marquees;

- c) **Directory Sign** means a sign located on a property with more than one establishment and which displays only a listing of the names of these businesses or organizations without advertising copy, except a business logogram;
- d) **Fascia Sign** means a sign attached to, painted, placed or erected upon or against a wall or other surface of a building with the face of the sign parallel to such wall or other surface;
- e) **Freestanding Sign** means any sign supported independently of a building and permanently fixed to the ground;
- f) **Off-Site Sign or Off-Premises Sign** means a sign not located on the same lot as the product, service or structure to which the sign relates. Off-Site signs include billboard signs;
- g) **Permanently Affixed** means securely fastened to a concrete foundation, either by posts or anchor bolts embedded in the concrete and buried at sufficient depth below ground so as to prevent relocation of the sign;
- h) **Portable Sign** means a sign greater than 1.0 square metres and less than 4 square metres in area which is designed in such a manner that the sign can readily be relocated to provide advertising at another location or readily taken on and off a site, and may include copy that can be changed manually through the use of attachable characters, message panels or other means;
- i) **Projecting Sign** means a sign which projects from, and is supported by a wall;
- j) **Sandwich Board Sign** means a sign less than 1.0 square metres but greater than 0.18m² in area which is constructed of two boards connecting at one end and which can be readily taken on and off a site;
- k) **Roof Sign** means any sign upon, against or above a roof;
- l) **Sign Area** means the area per side of the smallest triangle, square, rectangle, circle or semi-circle which can wholly enclose the surface area of the sign;
- m) **Special Events Signs** include garage sale type signs, real estate open house signs and signs advertising special events;

Notwithstanding the above definitions, no semi-trailer or what was a semi-trailer or what was or is a motor vehicle within the meaning of the *Motor Vehicle Act*, shall be used as a sign. It is deemed to be a sign if it is parked on the site for more than 5 consecutive days.

6.1.2 SIGN PERMIT REQUIRED

No person shall construct, erect, display, alter or relocate a sign and no person being the owner or lessee of property shall permit, suffer or allow the construction, erection, display, alteration or relocation of a sign on such property without a sign permit first having been obtained in accordance with the provisions of this By-law.

6.1.3 *ADDITIONAL PERMITS*

No permits shall be issued for a sign constructed on a permanent foundation without a building permit having first been issued in accordance with the Building By-law.

6.1.4 *SIGNS NOT REQUIRING A PERMIT*

Notwithstanding the provisions of Section 6.1.2, no sign permit is required for:

- a) Real estate signs which are of a temporary nature and which advertise the property upon which they are located as being available for immediate sale, lease or rent;
- b) Construction signs temporarily located on a lot and which identify the project, owner, architect, consulting engineer and related contractor;
- c) Traffic and directional signs authorized by the Town;
- d) Open House and Garage/Yard sale signs to be removed prior to the end of the day;
- e) Election signs - placement and removal of election posters shall be in accordance with Provincial and Federal Elections Acts in force;

- f) is attached to a tree;
- g) which flash intermittently or in series, including flashing arrows;
- h) non-illuminating fluorescent signs.

6.1.6 NON-CONFORMING SIGNS

The provisions of this By-law with respect to existing signs which do not conform to the By-law at the time of its effective date shall not be construed to have a retroactive effect, except that relocation, alteration, or removal of any such nonconforming signs shall render such signs subject to the provisions of this By-law. The provisions of this section shall not exempt the owner of a nonconforming sign from the obligation for proper maintenance of such sign.

6.1.7 ABANDONED AND UNLAWFUL SIGNS

- a) No person being the owner or lessee of a property upon which a sign is located shall permit, suffer or allow such sign, its faces, supports, electrical system or anchorage to become unsightly, dilapidated or unsafe.
- b) The Development Officer may require the removal of any sign which, in his opinion is, or has become, unsightly, or is in such a state of disrepair as to constitute a hazard.
- c) Any sign which no longer advertises a bonafide business or service on the premises shall be removed within sixty (60) days of termination of such business or service.

6.1.8 SIGNS PER PARCEL OF LAND

In addition to the fascia signs and canopy signs permitted in this By-law, the number of signs that may be constructed, erected, placed or displayed on a parcel of land which require a sign permit, shall not exceed the following:

- 1) one permanent overhead sign (Freestanding); and
- 2) one permanent low level sign (Freestanding); or
- 3) one temporary low level sign (Portable or Sandwich Board).

To the extent that the permitted uses and standards described in sections 4.2, 4.12 to 4.17, and 4.23 and 7.2.6.3 of this By-law, (the “R3 Zone Standards”) are consistent with the Watershed Protected Area Standards, the R3 Zone Standards shall be those that apply in the MWPA Subzone 3.

14.1.5 *WATERSHED PROTECTED AREA STANDARDS TO PREVAIL*

To the extent that the Rural Resource Zone Standards, the R1 Zone Standards and the R3 Zone Standards are inconsistent with the Watershed Protected Area Standards, the Watershed Protected Area standards shall be those that apply throughout the entire MWPA.

SECTION 15: FLOOD OVERLAY ZONE

15.1.1 FLOOD OVERLAY ZONE

The Flood Overlay Zone is intended to promote sustainable development, prevent serious and irreversible damage to peoples, structures and the environment and permit only development that demonstrates an adaptation to flood vulnerable areas. All other sections of this by-law apply to the base zones. Recognizing that flooding impacts and the vulnerabilities to Grand Bay-Westfield's river shore change with geography. For example, due to the exposure of South Bay, properties along River Street may experience additional impacts related to wave heights during a flood event and may require additional due diligence at the permitted stage. The process below creates flexibility to add terms and conditions associated with developing in flood prone areas. The Flood Overlay Zone is depicted on Schedule B of this by-law.

15.1.2 CONDITIONAL USES

- 1) No main building may be erected, constructed or modified in the Flood Overlay Zone unless it meets the following minimum requirements:
 - a) In the case of a new building:
 - i) Notwithstanding section 4.16, a minimum floor elevation greater than 7.4m may be required within the Flood Overlay Zone dependent on the unique vulnerabilities of the property.
 - ii) A development or building permit request must include:
 - (1) A site plan and elevation drawings demonstrating the elevation of the habitable part of the building;
 - (2) A plan and drawings that demonstrate the flood; proofing of all electrical, mechanical and plumbing systems, by design, for the area below the required elevation;
 - (3) A drainage plan, if the adaptation measures result in more than one (1) metre of fill (in elevation) for properties less than one (1) acre.
 - (4) A site plan demonstrating that access to the property and dwelling unit is at an elevation that does not impact access to the property or dwelling unit during a flood event.
 - iii) Other terms and conditions to mitigate the impact of flooding to life and structures as deemed appropriate by the Development Officer and the Committee
 - iv) The applicant may be required to enter into development agreement with the Town to be registered with Service New Brunswick on the title of the property.
 - b) In the case of an existing building, the building may be expanded or modified if:

By-Law No. PD-009: ZONING BY-LAW

- i) It does not reduce the elevation of the existing building
- ii) It does not increase the non-adapted habitable portion of the building by the lesser of 25% or 23.2m² (250ft²)
- iii) A non-adapted expansion or modification is limited to one per main building
- iv) The development officer or committee may impose additional terms and conditions to mitigate the impact of flooding to life and structures as deemed appropriate by the Development Officer and the Committee
- v) The applicant may be required to enter into a Development Agreement with the Town to be registered with Service New Brunswick on the title of the property.

SECTION 15.1.1 DOES NOT APPLY TO ACCESSORY STRUCTURES, OPEN SPACE USES OR TEMPORARY USES PERMITTED BY THIS BYLAW

SECTION 16: EXCAVATION OF MATERIALS

16.1 DEFINITIONS

In this Section:

- a) “**Development Officer**” means the Town of Grand Bay-Westfield Building Inspector appointed by the Town.
- b) “**Excavation of Land**” includes any act, operation, or process by which earth, sand, gravel, stone, rock, clay or similar material is cut into, dug, uncovered, removed, displaced, relocated, or bulldozed, including the conditions resulting therefrom, provided the excavation extends to a depth of 1 metre below the undisturbed surface which existed before the excavation began.

16.2 PERMIT REQUIRED

No person may undertake or continue the excavation of land unless an Excavation Permit has been issued therefor by the Development Officer, pursuant to this Section.

16.3 APPLICATION

A person seeking to obtain an Excavation Permit or renewal thereof under this Section shall make an application in writing to the Development Officer in a form prescribed by that officer.

16.4 INFORMATION REQUIRED

An application mentioned in Section 16.3 shall:

- 1) state the name and address of the Applicant, the name and address of the owner of the property to be excavated, if the applicant is not the owner, and the location of the proposed excavation;
- 2) be accompanied by a plan drawn to a scale not less than 1 to 500 indicating the boundaries of the land involved in the proposal and the boundaries of that portion proposed to be excavated;
- 3) indicate the proposed base or lowest level of the proposed excavation;
- 4) set out the means to be employed by the applicant to maintain access to the excavation, the public street over which excavated material will be transported and the method by which they will be maintained in a relatively dust free condition as by paving, sweeping, or the use of calcium chloride;
- 5) indicate the estimated date of commencement and termination of work involved in the excavation;
- 6) include a proposal for rehabilitation of the site of the excavation and the proposed time limit therefore, which the Development Officer shall submit to Council for its approval;

By-Law No. PD-009: ZONING BY-LAW

- 7) indicate the size and location of signs erected or proposed to be erected within the lands involved in the proposal.
- 8) security to be deposited in the sum of money or surety bond in lieu thereof, issued by an insurance company licensed to carry on business in New Brunswick, in amount adequate to cover the cost of rehabilitation required under section 16.11.

16.5 FEES

Subject to this section, where:

- 1) an application under Section 16.4 has been received;
- 2) the proposed excavation and the proposal for rehabilitation of the site meet the requirements of this Section; and
- 3) the fee set out in Section 16.6 has been paid, and the Development Officer shall issue the Excavation Permit requested.

16.6 PERIOD OF VALIDITY & FEE

An Excavation Permit is valid until December 31st in the year of issue, and the fee for such permit or renewal thereof is \$1,000.00.

16.7 REQUIREMENTS

An Excavation Permit shall:

- 1) be in a form prescribed by the Development Officer;
- 2) set out information pursuant to Section 16.4 contained in the application therefor, and;
- 3) be signed by both the Development Officer and the Applicant and the owner of the property, if the Applicant is not the owner.

16.8 RESTRICTIONS

No Permit shall be issued under this section if:

- 1) the proposed work would be apt to:
 - a) create a hazard to human life;
 - b) create injury to a person;
 - c) cause physical damage to adjoining property.
- 2) the excavation site is or would be subject to geological instability or flood hazard to the extent that no reasonable amount of corrective work could eliminate or sufficiently reduce the instability or hazard;
- 3) the Council does not accept:

- a) the rehabilitation proposal and the proposed time limit thereof required by Section 16.4 (6); or
- b) the security required by Section 16.4 (8).

16.9 OTHER TERMS AND CONDITIONS

A Permit under this Section is subject to the following terms and conditions:

- 1) that no excavation take place below the base or lowest level indicated in Section 16.4(3);
- 2) that accesses to the excavation and public streets over which excavated material is transported shall be maintained by the applicant in a manner that would eliminate dust as much as possible such as by paving and sweeping of the accesses, sweeping adjacent streets or the use of calcium chloride on unpaved sections of the accesses or adjoining streets;
- 3) that the excavation, and any work related thereto, is carried out only between the hours of 7:00 a.m. and 8:00 p.m. and only on days other than Sundays and a prescribed day of rest as defined by the Days of Rest Act;
- 4) that no operation in relation to the excavation is conducted in such manner as:
 - a) to be apt to create a hazard to human life, to cause injury to a person or to damage adjoining property;
 - b) to permit ponding of water in excess of 0.6 metres in depth;
 - c) to lower the water tables on neighbouring properties, or;
 - d) to prejudice proposed or required rehabilitation of the land;
- 5) that adequate measures are taken to prevent surface water from damaging the face of the excavation;
- 6) that neither the top or toe of the slope of the excavation, or any building or structure or storage or repair in connection thereto, is within 15 metres of an abutting property line;
- 7) that during any period in which any slope is steeper than that stated in Section 16.11(2), the Applicant and the owner of the land being excavated will cause protective fencing of a minimum height of 1.3 metres, to be erected and maintained approximately 6 metres from the top of the slope;
- 8) that in any instance where an occasional operating condition results in an operating slope steeper than one and one-half horizontal to one vertical, the Applicant and the owner of the land being excavated shall bring or shall have the slope brought to a degree of steepness no greater than one and one-half horizontal to one vertical within seventy-two hours after stopping work on that slope;
- 9) that the excavation site is rehabilitated as provided herein;

By-Law No. PD-009: ZONING BY-LAW

- 10) the Applicant/owner shall contact the Development Officer 14 days prior to the closing of the pit for the season or the expiry date of the permit, which ever comes first.

16.10 PERIOD OF VALIDITY

The excavation site for which a Permit has been issued hereunder shall be rehabilitated by the owner thereof within the time limit stated in the Permit, upon:

- 1) depletion of the material from the site to the extent that further operation would be no longer viable;
- 2) failure to seek renewal of an elapsed or canceled Permit; or
- 3) cessation of operations for a period of at least 12 months.

16.11 REHABILITATION

Rehabilitation mentioned in Section 16.4 shall include the following:

- 1) where an excavation is over 6 metres deep, a terrace shall be provided not less than 6 metres in width at each 6 metre interval of the depth;
- 2) slopes of the excavation shall not be steeper than one and one-half horizontal to one vertical;
- 3) all plant or equipment, or buildings or structures, placed or erected on the site for purposes of the excavation shall be removed;
- 4) subject to approval of the Development Officer, all stock piles of earth, sand or other excavated materials shall be removed from the site, backfilled into the excavation where feasible, or brought to a common grade with the rest of the land; and;
- 5) the site shall be cleared of debris and, except for areas of naturally occurring rock faces, covered with a layer of soil, capable of supporting vegetation, to a depth of at least 15 centimetres and seeded with grass or other ground cover to prevent erosion;
- 6) rehabilitation grading shall prevent ponding of surface water.

16.12 REVOKING OF PERMIT

Where a person violates any of the terms and conditions stated in Section 16.9, or any provision of this Section, the Development Officer may suspend or revoke the Excavation Permit, and may, if the violation is rectified, reinstate a suspended Permit.

16.13 FAILURE TO REHABILITATE

Where the Applicant fails to complete the rehabilitation work required by this Section 16, in the manner and within the time period so required, Council may take such action as may be required to cause the said rehabilitation work to be so completed, and may use the deposited security for all costs incurred by Council in

By-Law No. PD-009: ZONING BY-LAW

taking such action. In the event the deposited security is insufficient, may recover any additional costs from the applicant.

16.14 PERMIT NOT REQUIRED

A Permit is not required for the excavation of land where:

- 1) the excavation is allowed by another Permit issued by the Town; and/or
- 2) the excavated material is not removed from the site.

SECTION 17: STRIPPING OF TOP SOIL

17.1 GENERAL

Subject to this Section, no person may strip, excavate or otherwise remove top soil for sale or for use, from a lot or other parcel of land.

17.2 EXEMPTION

Where, in connection with the construction of a building or structure, there is an excess of top soil other than that required for grading and landscaping on the lot, such excess may be removed for sale or for use.

17.3 SOD FARMING

Notwithstanding Section 17.1, the farming of sod may be carried out where the owner of the land has entered into an agreement with the Town making arrangements satisfactory to the Town for the rehabilitation of the land. An agreement shall consider the following:

- 1) the proposed work shall be described, and the agreement confirm the proposed activity shall not:
 - a) create a hazard to human life;
 - b) cause injury to a person;
 - c) damage adjoining property; or
 - d) adversely affect a public water main or sewer or water course or street;
 - i) an agreement must identify any areas of land proposed to be used that may result in geological instability or flood hazard to the extent that no reasonable amount of corrective work could eliminate or sufficiently reduce the instability or hazard;
 - ii) the proposed work shall not violate any Federal or Provincial legislation.
