2023 Peace Walk and Peace Plaza

Cory Ryan

- A. PEACE WALK: New 8' walkway with cross design engraved with the words RESPECT, HONOUR and PEACE in both English and French.
- B. PEACE PLAZA: Circle of pavers with the peace symbol in darker pavers. The PEACE PLAZA will have 4 Veteran carved benches donated in memory of Veterans facing inwards towards flags.
- C. Entrance gate: This will be removed and mounted on the new walkway.
- D. Current Monument: The plan is to remove the current monument and repurpose it on the Legion property next to the flagpole.

E. Monument Placeholders: Plan to create at least one, possibly 5, mockup monuments to illustrate what the next phase will look like in 2024. The monuments will be WWI, WWII, Korea and Afghanistan, Peacekeepers, and Those Who Served. This will lead us to a fundraising plan for the next phase.
